- Pencils

TEE SHIRTS: The official Musical theater/Choir tee shirt will be ordered in October at a cost of \$15 each (short sleeves).

UNIFORMS: We are building a uniform closet so that everyone can rent their uniforms. After one year, we can rent the tuxedo jackets and a few girls' dresses.

GUYS UNIFORMS: A rental fee of \$20 is due upon receipt of tuxedo jackets for all guys. All tuxedo jackets must be freshly dry-cleaned, by May 15th. All returned uniforms must have an attached receipt for dry-cleaning. Non-dry-cleaned uniforms will have a \$15 penalty assessed. Failure to return uniforms will result in the balance owed for uniform replacement billed to the parent account.

Tuxedo shirts, pants, and bow ties must be purchased through Mrs. Starkey for a cost of \$65.00 at the beginning of the school year. Guys will also need black dress shoes and black socks to complete the uniform.

GIRLS UNIFORMS: A choir formal dress is required at cost of \$65.00 that will be ordered by Mrs. Starkey at the beginning of the year. Ladies will also need black stockings and black, low-heeled (2" and under) closed toe shoes. Ladies that already own a high school choir dress do not need to purchase a new one.

ALL STUDENTS WILL NEED: A solid long sleeve black shirt (think Old Navy type) and black pants without any type of logos. These will be used for our productions that are “black box” type.

CHARACTER SHOES: Students are NOT required to purchase character shoes but if they own a pair, they will be a “go to” shoe for the entire school year. If a student desires to purchase a pair of character shoes, please consult with Mrs. Starkey for the best style and brand for comfort and durability.

Please be aware in advance that any scripts or music is lost or inappropriately marked in the school year will be paid for out of pocket by the student.

Costumes for the years productions will be addressed after the decision are made concerning which production we will mount. The purchase of costumes or a costume fee will be required.
