

## **A Match Made at CLA**

Mitch Serpas (CLA '04) and Chavanne Fontenot (CLA '08) met in the halls of CLA and bonded during a mission trip to Russia. The two of them tied the knot in Baton Rouge on July 24, 2010.

Mitch received his Bachelor Degree in Chemical Engineering from LSU in 2008. He is now entering his third year in graduate school, pursuing a PhD in Chemical Engineering at Texas A&M.

Chavanne Fontenot will be transferring to Texas A&M to complete her degree in Russian Studies.

They will now reside in College Station, TX.
