### CLA Tutoring Options 2011-2012

Dear parent,

We are pleased to provide you with the following tutoring services information and look forward to assisting you and your child in finding a suitable tutor to meet your child's needs. Because we want your child to be successful in their academic endeavors, we are willing to allow your child to meet with his/her tutor here at Christian Life after school. If this arrangement is more convenient for you, please contact me so that we may assign an appropriate location and time. Please be aware that tutors usually charge between \$20 and \$40.00 per hour for individualized sessions. Payment is always handled directly between you and the tutor. CLA is not affiliated with the services below, and this list has been compiled for your child's benefit only.

Sincerely,

Jill Sprinkle
